

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, brownish water. The river flows from the background towards the bottom right. The valley walls are steep and composed of layered rock and scree, showing signs of erosion. In the distance, a range of jagged, snow-capped mountain peaks rises against a sky filled with heavy, grey clouds. The overall color palette is dominated by earthy browns, greys, and the white of the snow, with a slightly desaturated, cinematic feel.
