

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, white water. The river flows from the background towards the bottom right. The surrounding mountains are steep and rocky, with various shades of brown, tan, and grey, indicating different geological layers or mineral deposits. In the far distance, a range of jagged, snow-capped mountain peaks rises against a sky filled with heavy, grey clouds. The overall atmosphere is one of a wild, high-altitude environment.
