

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, brownish water. The river flows from the background towards the bottom right. The surrounding mountains are steep and rocky, with visible erosion patterns and patches of snow or light-colored rock. In the distance, a prominent, jagged mountain peak is covered in snow, standing out against a sky filled with heavy, grey clouds. The overall color palette is dominated by earthy browns, greys, and the white of the snow and clouds.
