

A high-angle, wide shot of a deep mountain valley. In the foreground, a river with a milky, white-water flow winds through the valley floor. A paved road follows the river's edge, curving into the distance. The valley walls are steep and rugged, showing various shades of brown, tan, and grey, likely due to different rock formations and erosion patterns. In the background, majestic mountain peaks rise, some covered in snow and partially hidden by soft, white clouds. The sky is filled with large, billowing clouds, creating a sense of vastness and adventure.
