

A high-angle, wide shot of a deep mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, white water. The river flows from the bottom right towards the center of the frame. The valley walls are steep and rugged, showing distinct horizontal geological strata. The upper reaches of the mountains are covered in snow and partially hidden by heavy, grey clouds. The sky is filled with these clouds, creating a moody atmosphere. The overall color palette is dominated by the greys of the rocks, the white of the snow and river, and the muted blues and greys of the sky and clouds.

# ADVENTURUSH

## INCLUSIONS
