

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, white water. The river flows from the bottom right towards the center of the frame. The surrounding mountains are steep and rocky, with distinct horizontal sedimentary layers. The peaks in the distance are jagged and partially covered in snow, set against a sky filled with heavy, grey clouds. The overall color palette is dominated by earthy browns, greys, and the white of the snow and river water.
