Traveller ★★★★★

This was my first time booking a package directly from an online platform. Our tour coordinator executed each plan to perfection. We were extremely satisfied with their scheduling and their responsiveness in communication. What makes AdventuRush stand out is their in-depth knowledge of the islands. They work with local vendor partners who have great knowledge of the island. This makes it incredibly easy to customize your trip with them. The staff in Andaman was not only professional but also very approachable. Overall, we are extremely happy with our package and the exceptional service.
