Traveller ★★★★★

It was my first time to North East when I had travelled with AdventuRush. But it was a great relief the way everything was smoothly arranged, right from landing at Guwahati, to the travel to the island; it was all planned meticulously. The team was helpful, friendly and always available to contact. The trip was close to nature yet comfortable which gave me some pleasant memories for lifetime. I would suggest everyone to experience it atleast once.

Traveller ★★★★★

We had an incredible trip to Northeast India, and every aspect of our journey, from obtaining permits to transportation and accommodations, went off without a hitch. Looking back, I still cherish those memories, as I met some remarkable people who I'm still in touch with. I hope to plan another trip with AdventuRush soon.

Traveller ★★★★★

We were planning our trip to Northeast and we got in touch with AdventuRush. We had multiple phone calls to decide the best places to visit & adjusting the same as per our schedule. Our queries and requirements were discussed in detail & resolved. The people are very genuine! The no network zones & inaccessibility didn't bother us much as the team had already taken care of a lot of the things in advance! Thanks for a memorable experience!
