

A high-angle, wide shot of a rugged mountain valley. In the foreground, a dark, winding road follows the edge of a wide, shallow river with milky, brownish water. The river flows from the bottom right towards the center. The valley walls are steep and composed of layered, reddish-brown and tan rock and soil. In the background, majestic mountains rise, with the highest peaks covered in snow and partially shrouded in soft, white clouds. The sky is filled with dramatic, grey and white clouds, suggesting an overcast or stormy day. The overall color palette is dominated by earthy tones of brown, tan, and grey, contrasted with the white of the snow and the blue-grey of the sky.
