

A high-angle, wide shot of a rugged mountain valley. In the foreground, a dark asphalt road curves along the left bank of a wide, shallow river with milky, brownish water. The river flows from the bottom right towards the center of the frame. The surrounding mountains are steep and rocky, with patches of light-colored scree or snow. In the distance, a range of jagged, snow-capped peaks rises against a sky filled with heavy, grey clouds. The overall color palette is dominated by earthy browns, greys, and the white of the snow and clouds.
