- **Day 1: Reaching the Scenic Land**

The journey starts from Bangalore to the scenic land of Chikmagalur. During our Chikmagalur trip package, you travel through the scenic wonders of the South Indian land and cover around 210 km, which should take around six hours to complete.

- **Day 2: Sightseeing and Trekking**

You reach your destination or the campsite early in the morning. The first thing you do is rejuvenate and then enjoy a delicious local breakfast. Our first sightseeing begins going up to the base of Mullayanagiri hills, which has the highest peak in Karnataka. There is a hike in store for you. Trekking under broad daylight, we aim for the highest point.

Once at top take a moment to immerse yourself into the panoramic view of the place. Enjoy some delicious local cuisine once you are back from the trek. After lunch, it's time to go on a jeep ride and reach Buttermilk waterfalls. You will be immersed in the beauty of the refreshing water.

The Hire Kolale Lake is nearby, and it should be your next location. At sunset, the lake looks straight out of a dream and is a sight to behold. After experiencing one of the most beautiful sunsets, it's time to return to the campsite and enjoy some evening snacks and beverages.

- **Day 3: Not A Farewell Without Some Adventure**

The next morning, after enjoying a wholesome breakfast, stroll around the coffee estate and enjoy some outdoor games. It is time to say a heartwarming goodbye to the pleasant abode among hills and the fragrant aroma of freshly brewed coffee. Complete the checkout process from the campsite.

Now we proceed to visit the Yagachi Reservoir, where you can enjoy a scenic boat ride. Following the ride, we take you to witness the architectural brilliance of the historic Belur Temple. Renowned for its architectural marvel, it's a must-visit when in Chikmagalur.

Lastly, time to board the vehicle and enjoy the scenic route from Chikmagalur to Bangalore, where you will be dropped off by approximately 10:30 PM.
