Ms. Khushbu Priya

Traveller

This was my first bike trip ever and team went above and beyond to make it an eventful journey. Our captain is not only an amazing Biker but a very nice person. He made sure we all are comfortable with the drive and bikes and at same time enjoy the amazing views of Ladakh. The Team used to check on each one of us every evening if we are feeling uncomfortable due to low oxygen level at high altitude. I would highly recommend you to book through them for amazing adventure.
