ITINERARY

1. Welcome and Registration

When you arrive at the scuba dive centre, you are warmly welcomed by the team, which makes you feel comfortable. After a while, you will be asked to complete the registration form and sign the medical fitness form and Standard Risk Acknowledgment & Disclaimer form.

2. Introduction Session

The skilled trainers familiarise you with the equipment, the protocols, and the day's schedule.

3. Activity 1: Theory Session

A comprehensive classroom session is held as per the Kovalam itinerary to cover the basics of scuba diving. You're further taught about the essential equipment, hand signals, and safety guidelines crucial for your underwater experience.

4. Activity 2: Pool Training

After the initial instruction session, you are taken to a pool for scuba diving training. The trainer teaches you everything about practising fundamental skills like mask clearing, regulator retrieval, and buoyancy control.

5. Activity 3: Open Water Dive

Once you complete your training session, you board a boat to reach the exclusively chosen site for the open-water dive. Experience the thrill of your first open-water dive, closely guided by your instructor. Explore the underwater world, witness marine life, and immerse yourself in the environment with the skills learned during the pool session.

6. Debrief and Certification

After the dive, gather for a debriefing session with the instructor. Share the dive highlights, address any questions, and receive feedback on your performance. Receive a certificate of completion for your memorable adventure.

7. Departure:

Bid farewell to the Bond Scuba diving team and fellow adventurers. We will expect you to come back soon for your next thrilling underwater adventure.
