

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the curve of a river. The river is a milky, light brown color, typical of glacial meltwater. The surrounding mountains are steep and rocky, with patches of reddish-brown soil and sparse vegetation. In the distance, a range of jagged, snow-capped peaks rises against a sky filled with heavy, grey clouds. The overall atmosphere is one of wild, untamed nature.
