ITINERARY

- **Day 1: Immerse yourself in Nature's Melody**

Arrive at the beautiful campsite in the lap of Mother Nature, where refreshing drinks, and snacks will welcome you. Take some time to settle in, freshen up inside the well-maintained tents, and prepare to set off on a guided trek.

During the trek, around 4:00 PM, our trip officials will guide you to a majestic waterfall. Spend quality time around the region and experience one of the most beautiful sunsets from the viewpoint.

Return to the campsite and gather around the bonfire. While enjoying the warmth, enjoy some soulful music. Sing along, socialise, and make lasting memories in the beautiful hilly setting of Munnar.

Have your dinner around the campfire. After having the meal, lay down to gaze at the stars under the open skies in the most serene environment you will ever encounter.

- **Day 2: A Relaxing Last Morning at the Camp**

Don't be late to wake up the following day. Freshen up quickly and savour the freshly brewed Munnar tea. The golden yellow colour of Munnar tea is its characteristic feature, and its exotic taste will take you on a trip to a different realm.

After taking a stroll around the area, be ready to enjoy some local delicacies for breakfast. We will give you idly, vada, putt, kadala, and another cup of tea to refill your energy and keep you enthusiastic all day.

After the hearty breakfast, take some time to enjoy the picturesque surroundings. Engage in some fun activities, or relax in the lap of Mother Nature.

In the afternoon, your tent camping in Munnar will end. You must complete the check-out formalities and leave the place with cherished memories.

We hope you spent quality time with us and will be a part of another trip to another region of the country.
