

A high-angle, wide shot of a rugged mountain valley. In the foreground, a dark, winding road follows the edge of a wide, shallow river. The river's water is a milky, light brown color, typical of glacial meltwater. The surrounding mountains are steep and rocky, with visible horizontal sedimentary layers. The sky is filled with heavy, dark clouds, creating a moody and atmospheric scene. The overall color palette is dominated by earthy browns, greys, and the deep blues of the sky.

ADVENTURUSH

INCLUSIONS
