Welcome to the Silicon Valley of India, Bangalore. From here, we will start our overnight venture towards Pondicherry. The journey will start around 09:30 at night and take around 8 or 9 hours.

Enjoy the ride while listening to live music and enjoying the South Indian roadways.

- **Day 2: Exploring the Unexplored**

Auroville- French colony- Rock Beach- Games & Activities- Bonfire

Arrive at Pondicherry at the crack of dawn. Enjoy the beautiful sunrise at the Rock Beach. It kickstarts your exploration of India's Little France. From the Rock Beach, we head straight towards Auroville, the city of dawn. The city is based on the principle of unifying everyone across all borders.

Visit the Matrimandir, a spiritual center, and check out the architectural wonder of the place and experience inner peace. However, we cannot let you enter the place and Golden Globe due to permission constraints.

In the afternoon, complete your lunch and head straight towards the French Colony, the White Town. It is one of the picturesque locations of Pondicherry, famous for its French colonial legacy. The place is ideal for shoppers since you get an extended range of clothes, chocolates, and souvenirs.

Return to Rock Beach in the evening, where the charm of evening Pondicherry awaits when the city lights up to its full glory. Here, you can try out some famous Pondicherry street food for dinner, which typically includes macaroni and chocolate pastries. Don't forget to try the absolute delight of cheesecakes.

- **Day 3: A Day of Serenity & Splendor**

Notre Dame Des Anges Church- White Town- Paradise Beach and Eden Beach.

In the morning, freshen up, have a hearty breakfast, and visit the Notre Dame des Anges Church. Not only is the church the fourth oldest in Pondicherry, but it is also known to offer mass in three languages – English, Spanish, and French. This is the only church in Pondicherry that does that.

Relax at Paradise Beach in the afternoon and enjoy the picturesque views of the golden sands and crystal clear waters. Enjoy some local street food around the beach. Complete your lunch at a local eatery.

In the evening, go to Eden Beach. The beach has blue flag certification, making it one of the cleanest and the most sustainable beaches on the land. The beach is also safe and easily accessible from any part of Pondicherry.

After spending quality time at the beach, it's time to head home. The 2 nights 3 days Pondicherry itinerary ends when you return to Bangalore. Bid goodbye to the wonderful South Indian people.

We hope to have your company again on another beautiful trip in some other part of the country!
