

A high-angle, wide shot of a rugged mountain valley. In the foreground, a winding asphalt road follows the left bank of a wide, shallow river with milky, white water. The river flows from the bottom right towards the center. The valley walls are steep and composed of layered, reddish-brown and tan earth, showing signs of erosion. In the background, majestic mountains rise, with the highest peaks covered in snow and partially shrouded in soft, white clouds. The sky is filled with dramatic, grey and white clouds, suggesting an overcast or stormy day. The overall color palette is dominated by earthy tones and the stark white of the snow and clouds.
