

A high-angle, wide shot of a rugged mountain valley. The foreground shows a winding asphalt road along the left bank of a wide, shallow river with milky, brownish water. The river flows from the bottom right towards the center. The valley walls are steep and composed of layered, reddish-brown and tan rock and soil. In the distance, a range of jagged, snow-capped mountain peaks rises against a sky filled with heavy, grey clouds. The overall scene is one of a remote, high-altitude wilderness.
