- **Personal expenses:** The package does not include personal expenses of any nature.
- **Insurance:** Insurance is not covered.
- Anything not mentioned in the 'Inclusions' section.

ITINERARY:

1. Welcome and Registration

As you reach the meeting point, our team will warmly welcome you. After the initial meet-up and interactions, we will take you on a short boat ride to the main starting point. The island is a short distance away from the shores to ensure you have a fulfilling kayaking experience.

2. Safety Briefing

Once you get off the boat, the professional instructors will conduct a short briefing session. You will learn about safety procedures, paddling techniques, and guidelines for safely navigating the Lake. Ask any questions that you may have to have a fruitful and enjoyable experience.

3. The Fun Begins

Once you are all prepped up, it's time to set sail. We will help you launch the Kayaks into the Lake. Before stepping onto the raft, keep your loose belongings in a small bag to ensure they remain secure. Start paddling, and off you go!

4. Explore the Beauty of Vembanad Lake

Navigate through narrow canals, meandering waterways, and open expanses of Vembanad Lake. However, remember to follow the route you have been instructed on during the session. These backwaters are home to a lot of avian species. Watch for various bird species, such as egrets, herons, kingfishers, and migratory birds that inhabit the Lake's ecosystem. Soak in the breathtaking views of coconut groves, small traditional villages, and lush greenery along the Lake's shoreline. This kayaking experience will definitely take you to a different world, away from the city's hubbub, into a calming and rejuvenating atmosphere.

5. Debrief and Farewell

As the activity ends, return to the designated starting point on the island. Finally, your unique kayaking experience will end. Board the boat for the return journey to the meeting point. As you return to the designated meeting point, your morning kayaking adventure in Vembanad Lake concludes.
